EVENT

Thursday, December 10, 2026 - GLC Toptracer Bays - 4-person scramble - 18 holes - Pinehurst Number 2.

NIGHT SCHEDULE

4:30 p.m. Check-in opens. Practice on the Toptracer range. Get your bay, scorecard, and pencil.

4:30-5:15 p.m. Warm-up on the range. Do not start the event yet.

5:15 p.m. Announcements and rules. Warm-up ends.

5:30 p.m. Tee off at Pinehurst No. 2. Start the scramble.

8:30 p.m. Prizes and awards.

HOW A SCRAMBLE WORKS
This is a two-person scramble. Both players hit every shot. After the tee shots, pick the better shot. Both play the next shot
from that spot. Keep doing that until the ball is holed out. One team score per hole.

PUTTING AND FINISHING THE HOLE
Toptracer does not use a real putting green. When your ball reaches the green, the monitor switches to a putting screen.
At the Golf Learning Center that last shot is shown at 56 to 58 yards. That is the putt. Hit the shot on the screen to hole out.
The hole is not finished until the ball is holed on the monitor.

* If the event tile opens Stroke Play with no Scramble button, back out and start Scramble from Virtual Golf.
* Finish all 18 holes on screen and return the official scorecard to the desk.

RULES

Four players per team, one team per bay. Ready golf. No mulligans unless the system misses a clearly good shot and staff confirms it. Untracked shots may be re-hit without penalty after staff confirmation. Director of Golf and staff decisions are final.

Prizes are approximately 25% of entry fees in gift cards and/or shop merchandise, awarded the same night.
